

1.3 Manipulating Variables

- _____ Identify the control
- _____ Identify the independent variable
- _____ identify two-three constants
- _____ Stated the hypothesis
- _____ Identify the dependent variable
- _____ Data table with units
- _____ Graph Title
- _____ X& Y labeled

Name: _____

- _____ X&Y correct (indep/dep variables)
- _____ Graph with appropriate increments
- _____ Graph neat
- _____ Control importance explained
- _____ How valid is data?
- _____ How could you improve it?
- _____ Sources of error you could not control
